DRIVER EDUCATION SEGMENT I PERMISSION SLIP

I, the undersigned, agree to pay Courtesy Driving School, Inc. _____ for the described driver's education course, which includes 24 hours of classroom instruction, 6 hours of behind-the-wheel (BTW) instruction, and 4 hours of observation in a dual controlled automobile, fully insured, covering each student enrolled in the program. BTW instruction shall not begin until after the second day of class. Classroom and BTW instruction must be completed no later than 3 weeks after the last day of scheduled lecture class. If a student misses a class, they have to make it up in a future class or at another one of our locations. A student is allowed a maximum of 3 missed class days (cannot miss days 1 and 2 consecutively). If more than 3 days are missed, the student would have to drop out of the session and retake the entire class over at a future session. If a student does not complete the course in its entirety by no later than 3 weeks after the last day of the scheduled lecture class, then the student will have to retake the course at an additional fee. I understand that when I attend an online driver education course through Courtesy Driving School the classes will be recorded, and I give my permission to be recorded in order to verify I have completed all of my course requirements. This course is approved by the Michigan Department of State.

GENERAL STATEMENT

In a classroom program such as this, a student will have to prepare for each lecture. If a student passes all of the lecture requirements, including 56 or more correct out of 80 questions on the state test, and the behind-the-wheel instruction, then the student may be permitted to receive his/her Michigan Driver Education Certificate of Completion. If a student does not pass either the classroom segment or the behind-the-wheel instruction, they will have to enroll in another driver's education program until all the requirements are fulfilled. Student must be 14 years and 8 months of age by the first day of class (verification by birth certificate or State ID required).

When enrolling online, student will provide information to facilitate in the creation of their certificate. Our website will request student's legal name as it appears on their birth certificate and their birth date. If for any reason a student provides this information incorrectly by misspelling their name or giving an incorrect birth date, the certificate will be typed incorrectly. If such a situation occurs, there will be a \$10 fee to issue a replacement certificate.

Behind-the-Wheel Instruction: I understand that the 6 hours of behind-the-wheel instruction will be scheduled directly with my instructor. I understand that there will be a \$35.00 fine for each 1-hour driving session that I am late to or that I miss. I further understand that these driving sessions may be canceled only during class time with my instructor, or by special agreement with my instructor. Students are advised to be at their driving sessions 10 minutes prior to their start time.

Health: I verify that my son/daughter has 20/40 vision or better and does not have any physical or mental condition that would affect their ability to operate a motor vehicle safely on public streets.

Method of Payment: Upon enrollment in a course, payment must be made with a credit or debit card.

Classroom Conduct: I understand that I will be expelled from the course if I do not conduct myself properly while in or about the class facilities and show due respect to my instructors, as well as my fellow students. If I am expelled from the course, there would be no refund available.

Please bring with you to the first class session: Original or copy of the student's birth certificate, notebook and pen or pencil. For in-person classes, a textbook and binder (which includes the course outline, lecture materials, and driver's education information necessary for each class) will be handed out to each student.

Refunds: All enrollments and purchases are final. Full payment is required to register. This payment is non-refundable. You may transfer to another class at no additional cost if you inform our office of the transfer at least 72 hours before your class start time. If you do not transfer your enrollment 72 hours prior to the course start time, there will be a no-show fee of 50% of your tuition.
